

**Meeting #2:** West Wing Conference Room City Hall—March 29

Group #1

<p><b>What comes to mind when you hear this topic in relation to your community? What does your safety network look like?</b></p>	<ul style="list-style-type: none"> <li>• Murals throughout the city</li> <li>• Resource communication during and after disasters</li> <li>• Disaster prevention/climate adaption workshops</li> <li>• More habitat restoration like Carr Lake</li> <li>• Youth outreach positions for violence at-risk/Gang prevention—Carol? (former person in position)</li> <li>• Encourage youth entrepreneurship: baked goods, art, etc.</li> <li>• Youth council/leadership/engagement</li> <li>• Halfway house for runaway youth, safe space to go to prevent homelessness, run by social workers/not probation</li> </ul>
<p><b>What categories stood out to you?</b></p>	<ul style="list-style-type: none"> <li>• CPTED</li> <li>• Violence prevention/youth resources</li> <li>• Alternative response models</li> </ul>
<p><b>Thinking about the different safety categories, what actions/changes do you wish to see in Salinas in by the year 2040?</b></p>	<ul style="list-style-type: none"> <li>• More partnerships on safety—CCA for example (for education)</li> <li>• Workers are typically off Sundays (from fields)--more workshops then</li> <li>• Need to meet people where they are at/understand local culture to build community</li> <li>• Uniforms can be intimidating</li> <li>• More events like Ciclovía to build community</li> <li>• Indigenous/Spanish--need to communicate in multiple language</li> <li>• Space for murals—fire stations!</li> <li>• Community hub at fire station? New station?</li> <li>• Fire station and community center at Station 7/CASP</li> <li>• Build youth programs in Chinatown</li> <li>• Think about and beyond incarceration</li> <li>• Free programs/after school programs for youth</li> <li>• More lighting</li> <li>• More sports, social opportunities for Gen Z—less social than previous Generation (from teen)</li> <li>• Different kinds of programming—education partnership with Hartnell, hiking/nature</li> <li>• Create the partnerships/infrastructure to make mobile crisis unit a reality</li> <li>• Attract/hire from outside</li> <li>• Mental health resources for fire/police officers—their health diabetes response too</li> </ul>

	<ul style="list-style-type: none"> <li>• Community trainings in resident-based mental health response</li> <li>• Pedestrian safety signals</li> <li>• More educational workshops on fire hazards—safety tips</li> </ul>
--	---

Group #2

<p><b>What comes to mind when you hear this topic in relation to your community? What does your safety network look like?</b></p>	<ul style="list-style-type: none"> <li>• Emergency response team</li> <li>• Meals, etc. For affected families</li> <li>• Trainings for emergency response</li> <li>• Infrastructure</li> <li>• Workshops for people living in high density areas</li> <li>• Safer houses in case of fires/polluted air</li> <li>• Climate change (heat)</li> <li>• Connection to housing</li> <li>• Density</li> <li>• Walkable communities (lighting)</li> </ul>
<p><b>What categories stood out to you?</b></p>	<ul style="list-style-type: none"> <li>• Community-school partnerships</li> <li>• Reach out to different organizations that do this (jurisdictions)</li> <li>• Youth programs for middle schools (community youth center)</li> <li>• Teach youths about civic engagement</li> <li>• Police response alternatives: mobile crisis unit, our community is in strong need of mental health awareness and other response aside from police regardless of training people still fear them and don't feel safe—escalates the situation</li> <li>• Teach classes on how to strategically live in crowded conditions</li> <li>• Build houses to passive house standards, for climate change adaptation</li> </ul>
<p><b>Thinking about the different safety categories, what actions/changes do you wish to see in Salinas in by the year 2040?</b></p>	<ul style="list-style-type: none"> <li>• Efficient response teams (save money)</li> <li>• About 60% of intimate violence is teens</li> <li>• More community centers</li> <li>• Changes in infrastructure: pedestrian safety, address public meeting rooms in General Plan</li> <li>• Turn our ideas into policies</li> <li>• Family Justice Center (victims of domestic violence)--center that includes all resources necessary to help victims</li> <li>• Traffic calming, fix potholes</li> <li>• Parking issues can make streets unsafe for drivers and pedestrians—need for more parking enforcement</li> <li>• Environmental safety: climate resilient housing, education on how to prep for natural disasters (emergency response), education on pesticide exposure and how to protect farmworkers and their family</li> </ul>

	<ul style="list-style-type: none"> <li>• Improvements on infrastructure for walkable communities (walkable sidewalks, lighting, etc) and for other active transportation (eg bike)</li> <li>• Lighting near public transit stops</li> </ul>
--	---

Group #3

<p><b>What comes to mind when you hear this topic in relation to your community? What does your safety network look like?</b></p>	<ul style="list-style-type: none"> <li>• Knowing neighbors, neighborhood organizing</li> <li>• Safe streets, lighting, lighted crosswalks, trees trimmed</li> <li>• Families, friends, neighbors</li> </ul>
<p><b>What categories stood out to you?</b></p>	<ul style="list-style-type: none"> <li>• Police response alternatives: mental health, mental health workers need to feel safe/to escort workers</li> <li>• Environmental design: better lighted spaces for youth, positive actions, more open clean spaces, public spaces are neglected (ex Sherwood Park)</li> <li>• Circulation: potholes, speeding, education on what to do when fire truck is there</li> </ul>
<p><b>Thinking about the different safety categories, what actions/changes do you wish to see in Salinas in by the year 2040?</b></p>	<ul style="list-style-type: none"> <li>• Police-community relationship (residents afraid of police)</li> <li>• Clearing vegetation for fire protection</li> <li>• National night out</li> <li>• Reducing the number of unhoused residents</li> <li>• Opportunities to meet people</li> <li>• Fire/police youth academy explorer program</li> <li>• Investment in youth/kids</li> <li>• Instilling community in youth</li> <li>• Setting up a raceway for legal racing/outlets for cultural practices like low riders</li> <li>• Substance abuse in community—help for them</li> <li>• Education on safe driving</li> <li>• Community education/misinformation</li> <li>• King City Traffic Gardens</li> <li>• Speeding reduction measures/lighted sidewalk</li> <li>• Repaving roads</li> <li>• Crosswalk visibility</li> <li>• Police response alternatives—de-escalation practices</li> <li>• Community paramedicine</li> <li>• Career pathways for critically needed positions/job fair for unhoused</li> </ul>
